OUR GOALS

- Assist patients in remaining alcohol and drug free.
- Assist patients in gaining access to needed services.
- Assist in monitoring patient's progress to make necessary changes in his or her lifestyle.
- Educate patient in 12-step program.
- Assist patients in regaining dignity and possessing feelings of self-worth.
- Educate patients on the disease concept of alcohol and drugs.
- Prevent habitual relapse.
- Assist families in drug education and support systems.

DETOX CENTER

The **Detoxification Center** is the beginning phase of treatment for Alcohol or Drug (AOD) dependent clients.

We believe that recovery and redemption is possible through the 12-step program. We believe that the Louisiana Health and Rehab Detox Center is the starting link in the treatment chain leading to life's adjustments, sound mental health happiness and self-esteem. Detoxification is the first step in seeking treatment for drugs and alcohol use.

Staff members at the **Detoxification Center** are a group of capable and caring individuals who have the skills and expertise necessary to assist the patients in remaining alcohol and drug free.
