CHIEF EXECUTIVE OFFICER

ABOUT LHRO

Louisiana Health and Rehab Options... A private agency committed to providing a range of quality services to developmentally disabled individuals, resulting in greater levels of independence for these individual.

LHRO's Executive Director has provided quality services throughout the state of Louisiana for over 25 years.

PHILOSOPHY

It is our philosophy that every individual has worth, as well as, potential to achieve goals if given the opportunity.

We believe that each individual can achieve more and reach a greater level of independence if challenged, encouraged and supported to the necessary extent. We know that challenge, support, and encouragement leads to accomplishment.

Goals

- To organize a team of well trained professionals who are sensitive to the needs of and can facilitate programming for a variety of individuals who meet the admission criteria.*
- To provide a variety of services to developmentally disabled individuals in a manner that is efficient, caring and addresses their individual needs for maintaining their highest level of independence.*

Eligibility Requirements

We provide services to:

- Any person that has been determined developmentally disabled as defined by the Division of Mental Retardation and Developmental Disabilities.*
- Any person who has been institutionalized or would otherwise require ICF/MR level of care, unless eligible to participate in Medicaid Home and Community-Based Waiver service.*

Services

Personal Care Attendant:

Designed to meet the needs of consumers whose disabilities render them unable to perform certain independent tasks.

Supervised Independent Living:

Designed to train developmentally disabled individuals in the skills need to live independently within the community. Our consumers are offered a variety of customized services/training relating to their individual needs.

Elderly Waiver Services:

Personal Care Attendant services provided to the elderly.

Long Term Care:

Personal Care Attendant services provided to individuals who need nursing facility level of care.
